

Working With Women Who

Working with women who have a mental illness: Exploring Mental Health and Suicide Risk in the Perinatal Period

Julie Borninkhof, CEO at PANDA

Julie brings significant experience to PANDA as a recognised leader in the primary health sector. Julie is a Clinical Psychologist who has worked across primary and tertiary settings, namely with people from vulnerable and diverse communities. She is passionate about ensuring that people's lived experience informs the development of progressive services and supports. Julie loves leading the dedicated team at PANDA.

Dr Laura Biggs, Postdoctoral Research Fellow, Intergenerational Health, Murdoch Children's Research Institute

Dr Laura Biggs is a midwife and Postdoctoral Fellow in the Intergenerational Health Group, Murdoch Children's Research Institute. Her work focuses on trauma and violence informed care and issues of equity in maternal health, particularly relating to gender based violence, mental health promotion, and maternal suicide prevention.
