How to Log in and update your profile

Welcome to ACM Midwives Learn Online Courses.

Please follow the instructions below to get started!

Access
1) You will need to have created an account already with a username and password.
2) If you have not done this, follow the instructions in the How to Set up your own Moodle account in the ACM’s e-learning website: Midwives Learn

Getting started
1) To log in go to http://learn.midwives.org.au/moodle/
2) Type your username and password into the login box and click the 'Login' button

3) If you have entered the correct username and password the home page will open

4) And you will be able to see that you have been logged in to your account at the top right of the screen
Editing your profile

1) Editing your profile is required so that reporting can be done on completion of the courses and access. If details are not entered this useful data cannot be collected or used. Please take the time to complete these steps.

2) To edit your profile you need to **click** on the ‘My Dashboard’ tab at the top of the page and then select ‘Profile’.

3) Your profile page will appear.

4) To the right hand side of the profile page you will see an Administration box. Under ‘My Profile settings’ **click** the ‘Edit profile’ option.

5) Your profile page will now open and you can start changing your details.

6) **Make sure** your **first name, surname and email address** are correct. You will have entered these details when you created your account. Update as required.

7) **Scroll down** the page to see the City/town and Country fields. **Make sure** these details are also correct - you will have entered them when you created your account. Update as required.

8) **Scroll down** the page till you see the ‘Optional’ tab (depicted with an arrow next to it) **click** on Optional and the section will expand and show you the areas you can fill in.

9) **Move to AIM ID.**
10) In this field enter your **Profession**. Please enter it exactly from one of these options: Midwife, Nurse, Student Midwife, RNRM, Doctor, Other

11) Move to **Institution**.

12) In this field please enter the **Area you work** eg put in Hospital public, Hospital private, Community

13) Move to **Department**.

14) In this field please enter the ‘**name of the your employer**’ if this has not been prefilled. If you are self employed you can either enter ‘**self employed**’ or write in the ‘**name of your business**’.

15) Move to **Mobile Phone**.

16) We will not get you to enter your phone number here, but rather where you work predominantly, in a geographical sense. Your options are: **urban, rural, remote** (please enter one of these options only)

17) Move to **Address**.

18) Please enter your **Post Code** in this field.

19) When you are finished, **click 'Update profile'**

20) When you **click** continue you will be taken to your profile, which will be updated with the details you just entered (eg Midwife for Profession in the AIM ID filed). Many of the other fields you have just updated will only be visible in completion reports.

21) From here you can **get started** on your courses. You will note that any courses you are enrolled in will be visible on your profile.

   a) You can click on the name of the course and it will take you to that course.

   b) Or you can access it from the ‘My Courses’ option at the top of the page,
c) Or you can select from the option at the top of the page (ACM Courses, Free Courses or HCA Courses) and you will be directed to the relevant Course page where all courses you have been enrolled in will be visible to you.
