

Unpacking Respectful Maternity Care

About the Webinar

This Webinar discusses:

- The Distinctive Importance of the Childbearing Period;
- The Childbearing Paradigm;
- How current maternity care practice is impacting on child-bearing women;
- The safe motherhood context;
- Looking at how human rights are implicated in the childbearing process and affirming their application to childbearing women as basic, inalienable rights; and
- Effective ways to implement the Respectful Maternity Care Charter.

About the Presenter

This webinar is presented by Ellen O'Keeffe from Safe Motherhood for All Inc. Ellen is a Midwife working in postnatal care and maternal and child health.
